SPECIAL INTEREST

I have a special interest in Functional Endoscopic Sinus Surgery and Rhinoplasty. Performing surgery on all the sinuses, Dacrocystorhinostomy, CSF repair and sphenopalatine ligation. Also done few endoscopic nasal tumours surgeries and for Mucormycosis.

I have also recently developed special interest in Laryngology with voice problems. I am treating vocal fold paralysis by medialization techniques, giving Botox treatment for Spasmodic Dysphonia.

Also have a special interest in managing patients with snoring and apnoea and Laryngology.

SURGICAL EXPERIENCE

INDEPENDENT

Tonsillectomy, Septoplasty, Septorhinoplasty, Functional Endoscopic Sinus

Surgery, Thyroidectomy, Oesophagoscopy and Bronchoscopy (Diagnostic and

Emergency), Submandibular Gland Excision, Excision of Thyroglossal Cyst, Branchial Cyst, Otoplasty, Myringoplasty, Tympanoplasty, Ossiculoplasty, Mastoidectomy, Grommets Insertion, Excision of lesion from Tongue, Ear and

Head and Neck, Radical Neck Dissection. Laryngectomy, Maxillectomy, Radical Neck Dissection and Thyroplasty. Botox treatment for spasmodic dysphonia.

TEACHING EXPERIENCE

Involved in teaching medical students from University College Cork in Limerick Regional Hospital, Ireland and South Infirmity Hospital, Cork from Jan. 1993 to June 1997.

- Involved in Teaching Medical students from University College Dublin in Tullamore General Hospital Ireland from July 1997 to June 2000.
